Dear Mr. Mattson,

How thoughtful of you to include Mrs. Turner and me in the American College of Trial Lawyers' social events in Boca Raton.

While I regret that we are not able to accept your invitation to dinner on March 10th, I do hope that our schedule will permit us to join the reception on March 11th.

I look forward to addressing the College on Monday, March 12th.

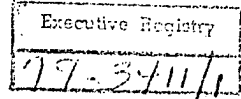

Yours sincerely,

STANSFIELD TURNER

Dear Admiral Turner:

The plans for our March meeting in Boca Raton are now complete. The opening session of our general meetings at 9:30 a.m. on March 12th will have an auspicious beginning. After a short invocation, our past president Mr. Justice Louis Mr. Powell, Jr. will present an honorary fellowship to Mr. Justice Harry Blackmun. After this short ceremonial item, I shall have the pleasure of introducing you for the purpose of your presentation.

On the evening of your arrival, March 10th, the officers of the College will host a small dinner for some of our participants and our guests. The plan is that we will meet in my suite, the tower portion of the hotel, for cocktails and dinner to follow. Please let me know if we will have the honor of attendance by you and Mrs. Turner.

Otherwise, I hope that you will join in as many of the events as possible, particularly the March 11th reception cocktail party for all fellows and guests in the pool area.

If there is anything that I can do to make your stay a pleasant one, please do not hesitate to let me know.

Sincerely,

Marcus Mattson
